

Effective Teaching

Teaching is *effective* when *learning* takes place.

How do people learn?

Teaching a Basic Skill: The EDGE Method

- Explain
- Demonstrate
- Guide
- Enable

Teaching a Group Session: The Five Steps

1. Goals
2. Discovery
3. Teaching and Learning
4. Application
5. Evaluation

Use EDGE during steps 3 and 4.

Keeping it Interesting

- Visual aids
- Ask questions
- Hands-on activities
- Group discussion
- Role play, games, etc.
- KISMIF: Keep it simple, make it fun.

Planning & Preparation

- Create an outline:
 - To help you prepare
 - To pass along in case you need a substitute
- Work with QM to get materials
- Prepare visual aids
- Practice!
